

Competitive Cal Grants by California Community College, 2006-07

Source: California Student Aid Commission, 2006-07 Preliminary Grant Statistics Report

California community college students receiving Cal Grants typically receive a Cal Grant B, with a full-time award value of \$1,551. This table lists the number and value of new and renewal competitive grants offered to students, by college.

New grants, highlighted in yellow, would be eliminated under the current budget proposal. In time, renewal grants would also be phased out.
